

PTG Trading Room "Code of Conduct" Guidelines

- Please be polite, respectful, and professional. Inappropriate conduct or harassments towards chat participants will not be tolerated.
- No vulgar language. Vulgar or abusive language, masked with symbols, characters or variations of slang or cursing will not be tolerated.
- Showmanship, self-promoting and/or bravado type comments are prohibited.
- No racist remark, sexually oriented remark, or religious persecution will be tolerated.
- Actions that seem specifically designed to test the limits of what is not offensive and to serve no other purpose will not be tolerated.
- Public e-mail listing is not allowed, nor publicizing other users' addresses, telephone numbers or any contact information. (Please use private message chat to transfer sensitive private information)
- Trading-related topics are favored in the room. Other topics when markets are thin and quiet can be discussed, but lack of interest in talking about trading won't be welcome.
- Anyone violating the conduct rules above will be warned and/or suspended from Polaris Trading Group membership at the sole discretion of the administrators.

Thank you for your attention and adherence to the "Code of Conduct" guidelines.

Good Trading,
Polaris Trading Group Management

Disclaimers

- **CFTC RULE 4.41** Hypothetical or simulated performance results have certain inherent limitations unlike actual performance record: simulated results do not represent actual trading. Also, since the trades have not actually been executed, the results may have under- or overcompensated of the impact, if any, of certain market factors, such as lack of liquidity. Simulated trading programs in general are also subject to the fact that they are designed with the benefit of hindsight. No presentation is being made that any account will or is likely to achieve profits or losses similar to those predicted or shown.
- Trading of securities, options and futures may not be suitable for everyone and involves the risk of losing part or all of your money. Commentaries are educational in nature and are designed to contribute to your general understanding of financial markets and technical analysis. Use it how you want and at your own risk. We are not registered investment advisors. This information is a general publication that reflects our own opinions and is not a specific recommendation to any one individual. You must consult your own broker or investment advisor for investment advice. Past performance is not a guarantee of future success. Controlling risk through the use of protective stops is essential.
- **REQUIRED RISK DISCLOSURE** HYPOTHETICAL PERFORMANCE RESULTS HAVE MANY INHERENT LIMITATIONS, SOME OF WHICH ARE DESCRIBED BELOW. NO REPRESENTATION IS BEING MADE THAT ANY ACCOUNT WILL OR IS LIKELY TO ACHIEVE PROFITS OR LOSSES SIMILAR TO THOSE SHOWN. IN FACT, THERE ARE FREQUENTLY SHARP DIFFERENCES BETWEEN HYPOTHETICAL PERFORMANCE RESULTS AND THE ACTUAL RESULTS SUBSEQUENTLY ACHIEVED BY ANY PARTICULAR TRADING PROGRAM.
- ONE OF THE LIMITATIONS OF HYPOTHETICAL PERFORMANCE RESULTS IS THAT THEY ARE GENERALLY PREPARED WITH THE BENEFIT OF HINDSIGHT. IN ADDITION, HYPOTHETICAL TRADING DOES NOT INVOLVE FINANCIAL RISK, AND NO HYPOTHETICAL TRADING RECORD CAN COMPLETELY ACCOUNT FOR THE IMPACT OF FINANCIAL RISK IN ACTUAL TRADING.
- FOR EXAMPLE, THE ABILITY TO WITHSTAND LOSSES OR TO ADHERE TO A PARTICULAR TRADING PROGRAM IN SPITE OF TRADING LOSSES ARE MATERIAL POINTS WHICH CAN ALSO ADVERSELY AFFECT ACTUAL TRADING RESULTS.
- THERE ARE NUMEROUS OTHER FACTORS RELATED TO THE MARKETS IN GENERAL OR TO THE IMPLEMENTATION OF ANY SPECIFIC TRADING PROGRAM WHICH CANNOT BE FULLY ACCOUNTED FOR IN THE PREPARATION OF HYPOTHETICAL PERFORMANCE RESULTS AND ALL OF WHICH CAN ADVERSELY AFFECT ACTUAL TRADING RESULTS.
